

## Press release

Dornbirn, April 29, 2020

### Personnel:

## Hugo Rohner takes over as Chief Executive Officer (CEO) of Tridonic

Dornbirn, Austria – On May 1, 2020 Hugo Rohner takes over as CEO of Tridonic, the lighting technology company of the Zumtobel Group.

Hugo Rohner is an internationally experienced manager in the fields of digitalisation and IoT (Internet of Things) and was most recently the CEO of the Skidata Group in Salzburg. Prior to that, he held leading positions at international companies in Switzerland, the USA and Germany. Born in Switzerland, he holds a Master's degree in Business Administration from the University of St. Gallen (HSG) and a Master's degree in International Management from the Community of European Management Schools and International Companies (CEMS).

He reports directly to Alfred Felder, CEO of the Zumtobel Group. "We are delighted to have acquired the services of such an experienced manager in Hugo Rohner. Tridonic will benefit from his know-how from the IT industry, among other things," says Alfred Felder. "The Tridonic leadership team with CFO Thomas Erath and COO Alexander Jankovsky is now complete again.

*Hugo Rohner, CEO of Tridonic from May 1, 2020*

## About Zumtobel Group AG

The Zumtobel Group is an international lighting group and a leading supplier of innovative lighting solutions, lighting components and associated services. With its brands, Zumtobel, Thorn and Tridonic, the Group offers its customers around the world a comprehensive portfolio of products and services. The Group's know-how about the effects of light on people, acquired over decades, forms the basis for the development of innovations and for accessing new fields of business. In the lighting business, the Group with its Thorn and Zumtobel brands, is one of the European market leaders. Through its lighting technology brand, Tridonic, the Zumtobel Group plays a leading role worldwide in the production of hardware and software for lighting systems (LED light sources and LED drivers, sensors and lighting management). The Zumtobel Group's service offering is one of the most comprehensive in the entire lighting industry, including consultation on smart lighting controls and emergency lighting systems, light contracting, design services and project management of turnkey lighting solutions, as well as new, data-based services focused on delivering connectivity for buildings and municipalities via the lighting infrastructure. The Group is listed on the Vienna Stock Exchange (ATX Prime) and currently has a workforce of around 5,900 employees. In the 2018/19 financial year, the Group posted revenues of EUR 1,162 million. The Zumtobel Group is based in Dornbirn in the Vorarlberg region of Austria. For more information go to [www.zumtobelgroup.com](http://www.zumtobelgroup.com)

## About Tridonic

Tridonic is a world-leading supplier of lighting technology, supporting its customers with intelligent hardware and software and offering the highest level of quality, reliability and energy savings. As a global driver of innovation in the field of lighting-based network technology, Tridonic develops scalable, future-oriented solutions that enable new business models for lighting manufacturers, building managers, systems integrators, planners and many other types of customers.

To promote the vision of the Internet of Light, Tridonic relies on partnerships with other specialists. The goal is the joint development of innovative technological solutions that convert lighting systems into intelligent networks and thereby enable associated services. Its profound, technical industry expertise makes Tridonic an ideal partner for established brands and for newcomers to the market.

Tridonic is the technology company of the Zumtobel Group and is headquartered in Dornbirn, Austria. In the 2018/19 business year, Tridonic generated sales of Euro 348,3 million. 1,778 highly skilled employees and a worldwide sales presence in over 70 countries reflect the company's commitment to the development and deployment of new, smart and connected lighting systems.
